Fallout season 2 is just around the corner, with its premiere date set for Dec. 17, 2025. Adapted from the popular video game franchise, the first trailer for season 2 was released on Aug. 19, giving fans a glimpse into what's in store for Lucy (Ella Purnell), The Ghoul (Walter Goggins), and the rest of the crew in the post-apocalyptic Wasteland. The show will continue to explore the blend of tones that made season 1 a hit, with sitcom moments juxtaposed with intense action sequences. Co-showrunner Geneva Robertson-Dworet has said that she's excited to continue this blend, as well as introduce new elements from the Fallout mythology. One of these new elements is the introduction of Deathclaw, one of the most iconic monsters from the video game franchise. The trailer shows Lucy and The Ghoul on a mission to find Hank, Lucy's father, who has escaped with Maximus' Power Armor. Along the way, they encounter Robert House, who sets them up for a showdown with Deathclaw. The show will also introduce new characters and storylines, drawing from 25 years of Fallout games. Co-showrunner Graham Wagner has said that he's looking forward to exploring these new elements and continuing to push Lucy's character in season 2. The cast is returning, including Purnell as Lucy and Goggins as The Ghoul, as well as Aaron Moten as Maximus and Frances Turner as Barb Howard. New faces joining the show include Macaulay Culkin in an undisclosed role, while Justin Theroux will portray Robert House. Fallout season 2 premieres Dec. 17, 2025, with episodes airing weekly on Wednesdays until its finale on Feb. 4, 2026. Mark your calendars and get ready to dive back into the post-apocalyptic Wasteland! Fallout Season 2 Premiere Date Announced, Here's What You Need to Know The Prime Video video game adaptation of Fallout has been renewed for its second season, which is set to premiere on December 17. The series picked up 17 Emmy nominations and won one (for music supervision) and another Creative Arts Emmy (for Outstanding Emerging Media Program). In this article, we'll provide you with the latest updates about the upcoming second season of Fallout. ###ARTICLEFallout will return to Amazon Prime Video in December with its second season, bringing a fresh take on New Vegas, an important setting in the video games. The series, created by Geneva Robertson-Dworet and Graham Wagner, follows Lucy, played by Ella Purnell, as she is forced to leave her vault to rescue her father, opposite Walton Goggins' character, a bounty hunter who mutated and has survived 200 years since the Great War. The cast also includes Aaton Moten, Moisés Arias, Kyle MacLachlan, Sarita Choudhury, Michael Emerson, Leslie Uggams, Frances Turner, Dave Register, Zach Cherry, Johnny Pemberton, Rodrigo Luzzi, Annabel O'Hagan and Xelia Mendes-Jones. Macaulay Culkin has also joined the cast for Season 2. Season 1 of "Fallout" premiered in April 2024 and received positive reviews, achieving a 97% on Rotten Tomatoes. The series creators chose to avoid a straight adaptation and instead constructed an original story within the game universe. Amazon MGM Studios and Kilter Films produce the series in association with Bethesda Game Studios and Bethesda Softworks. The show's success has earned it several Emmy nominations, including outstanding drama series, drama actor (Goggins), drama writing (Wagner and Robertson-Dworet) and music supervision. The Fallout series is set two centuries after the apocalypse and explores a world where utopian retrofuturistic Americana meets the harsh reality of a global thermonuclear war. The latest entry, "Fallout," is the story of haves and have-nots in a world with almost nothing left to have...The Fallout Wiki community is a hub of enthusiastic fans working together to provide accurate information. Users can engage with the site by participating in the Fallout Bingo game, which involves finding 24 icons scattered throughout the wiki on random articles. When five icons are found in a row, either horizontally, vertically, or diagonally, it's time to shout "Bingo Bango Bongoi!" and celebrate. The Fallout universe is rooted in a world where nuclear war devastated society, leaving behind a legacy of ruins and radiation. According to the introduction to Fallout 4, people initially used atomic energy as a limitless source of power but soon found themselves at odds over resources, leading to widespread conflict. This grim reality serves as a stark contrast to the idyllic "world of tomorrow" presented in Fallout 3's manual, where technology advanced rapidly while American society remained stuck in the 1950s. As users delve into the world of Fallout, they're immersed in a post-apocalyptic landscape filled with mutated creatures and remnants of civilization. The Fallout: Brotherhood of Steel Manual paints a picture of a future not far removed from our own, shaken by humanity's greed and destruction. Design documents reveal the creative process behind the game's visuals and atmosphere. In terms of gameplay, developers have expressed their desire to explore more of the world and delve into the ethics of a post-nuclear society. The Fallout Wiki serves as a comprehensive resource for fans, providing information on characters, locations, and gameplay mechanics. The upcoming "Fallout Season 2" has been announced, with a release date set for December 2025. The show will take place in New Vegas, featuring returning heroes Lucy MacLean, The Ghoul, Maximus, and Dogmeat as they navigate the dangers of the city. The season promises to explore new threats and iconic locations, including Mr. House's casino-owning supercomputer and Dinky the T-Rex. The Fallout community is eagerly anticipating the release of "Fallout Season 2," with many fans already speculating about the show's plot twists and character developments. As users continue to contribute to the wiki and engage with the Fallout universe, they'll uncover more secrets and stories within this immersive world. Fallout Season 2 Cast Announced, with New Additions from Kumal Nanjiani and Macaulay Culkin The wait for Fallout Season 2 is almost over, as the show has been confirmed to return before the end of the year. The new season will pick up in the aftermath of Season 1's finale, taking viewers on a journey through the Mojave wasteland to the post-apocalyptic city of New Vegas.
