Based in Hertfordshire, Directcds Ltd is well known for our Quality, Service & Prices on DVD Duplication & CD Duplication UK & CD Printing Services. When we started 18 years ago we were just printing and duplicating CD & DVD's. Now we do the full package from Jewel cases to DVD Cases. We print all the inserts and inlays in-house, and we also wrap our cd cases as well. Now with the installation of our new Heidelberg Platen, we can dye cut all our Digipaks and CD Card Wallets in-house. This means we can truly offer the complete service for CD and DVD Production. We are always happy to go that extra mile for our clients, as customer satisfaction is very important. This is why our customers keep coming back year after year for their cd duplication. Quick turnaround, photo quality print finish CDs, cost effective on small runs. CD duplication included in the price. The best way to stay up-to-date is by following us on social media. We post regularly and we love to interact with our customers on our social channels. Social Media Specialists of short run (from 10 units), fast turnaround CD Duplication UK, DVD Printing & USB supplying musicians, promotion and business with all your optical media needs. We offer a variety of CD, DVD and USB packaging solutions to compliment your CD Duplication, DVD Printing and USBs to ensure we supply the complete product. We are also pleased to offer an ever expanding range of custom printed merchandise and apparel for your company, event or brand again with our fast turnaround times. We've copied hours upon hours of footage, in fact, we have many years of experience that we convert many of the major video formats like Beta Mac, VHS, VHS-C, Hi8, Digital8 or miniDV to DVD format.
