This position reduces the chances of a neck injury in a crash.The height of the head restraint can be adjusted. 3-10 Rear Seat Armrest . At every service, Buick service technicians and mechanics will perform a Multi-Point Vehicle Inspection. Automatic Dimming Rearview Mirror If equipped, automatic dimming reduces the glare of headlamps from behind. To reduce the sound, open either a front window or the sunroof, if equipped. 74 What Will You See after an Airbag Inflates? 3-49 Securing Child Restraints (Front Passenger Position) . The 2014 Buick Encore's engine oil should be changed every 7,500 miles or every 12 months, whichever comes first. The 2014 Buick Encore has specific oil specifications and service intervals that should be followed to ensure optimal engine performance. 3-34 Airbag System Check . Buick Maintenance Guidelines Available online or in the Buick owner's manual. General Motors has made available maintenance guidelines so that owners will know when to perform specific tasks involving inspection or replacement of a fluid, components, windshield wipers and other expendable items that are necessary for the proper operation of your vehicle. See OnStar Overview on page 14-1. This scheduled service will also include a tire rotation and a multi-point vehicle inspection. 3-4 Lumbar Adjustment . One of the key components that contribute to its performance is the engine. 3-28 What Will You See after an Airbag Inflates? If the owner opts for the additional coverage, the extended terms stay with car through subsequent owners. This feature tilts the outside mirrors to a preselected position when the vehicle is in R (Reverse). 3-35 Replacing Airbag System Parts after a Crash . Pull the handle at the front ofthe seat. Interior Mirrors Interior Rearview Mirrors Adjust the rearview mirror for a clear view of the area behind your vehicle. Still, for many years and miles of pleasurable driving, the Buick Division recommends that you properly maintain the vehicle. If equipped, detach the sun visor from the center mount to pivot to the side window or to extend along the rod. Buick Complimentary Services Current leased or purchased Buick vehicles are entitled to two complimentary oil and filter changes, four-tire rotations and multi-point vehicle inspection. The 2014 Buick Encore is equipped with an oil level monitoring system that alerts the driver if the oil level is low. 3-16 Lap-Shoulder Belt . 2014 Buick Encore Owner Manual BookTOC 1 Canadian Vehicle Owners 3 About Driving the Vehicle 4 Danger, Warnings, and Cautions 4 Initial Drive Information 10 Remote Keyless Entry (RKE) System 10 Head Restraint Adjustment 15 Passenger Sensing System 15 Steering Wheel Adjustment 16 Windshield Wiper/Washer 18 Steering Wheel Controls 21 Driver Information Center (DIC) 22 Forward Collision Alert (FCA) System 22 Lane Departure Warning (LDW) 22 Side Blind Zone Alert (SBZA) 22 Rear Vision Camera (RVC) 23 Ultrasonic Parking Assist 23 Performance and Maintenance 24 Traction Control/Electronic Stability Control 24 Engine Oil Life System 25 Driving for Better Fuel Economy 26 Roadside Assistance Program 26 Keys, Doors, and Windows 27 Remote Keyless Entry (RKE) System 28 Remote Keyless Entry (RKE) System Operation 29 Interior Rearview Mirrors 41 Manual Rearview Mirror 41 Automatic Dimming Rearview Mirror 41 How to Wear Safety Belts Properly 62 Safety Belt Use During Pregnancy 67 Replacing Safety Belt System Parts after a Crash 68 Where Are the Airbags? Manually close the sunshade. If a covered breakdown occurs, you will have access to General Motors certified service technicians at any one of the 4,000-plus GM dealerships nationwide. 71 When Should an Airbag Inflate? Anti-Pinch Feature The anti-pinch feature is on windows with the express-up feature. With its turbocharged technology, the engine provides ample power while maintaining fuel efficiency. At this juncture, they inspect certain aspects of your vehicle including battery condition, wheel alignment and tire wear, brake wear, windshield wiper wear, and connectivity status to OnStar. Wipe the sunroof seal and roof sealing area using a clean cloth, mild soap, and water. The standard terms of the warranty for your Buick vehicle is 4 years/50,000 miles of comprehensive coverage, and 6 years/70,000 miles of powertrain coverage. The window functions normally once the obstruction is removed. . Raise or lower the front part of the seat cushion by moving the front of the control up or down. See Keys on page 2-1.The driver door also has switches that control the passenger and rear windows. Page 43 of 334Black plate (17,1)Buick Encore Owner Manual (GMNA-Localizing-U.S./Canada/Mexico- 6014813) - 2014 - crc - 10/22/13 Keys, Doors, and Windows 2-17 Express-Up/Express-Down Windows If equipped, a window with the express-up/down feature can be raised or lowered without holding the switch. To lower the head restraint, press the button, located on the top of the seatback, and push the head restraint down. The recommended engine oil for the 2014 Buick Encore is a high-quality synthetic oil with a viscosity of 5W-30. Close all doors with the ignitionin ON/RUN or ACC/ ACCESSORY, or when RAP is active. This could cause an issue with sunroof operation or noise. 3-35 Child Restraints Older Children . 74 How Does an Airbag Restrain? GM stresses that this isn't a service contract, but rather an extension of the vehicle's original warranty. 3-9 Rear Seats Rear Seats . 3-27 What Makes an Airbag Inflate? The front seat onboard head restraints are not designed to be removed. With the system, a computer looks at a combination of factors including engine revolutions, temperature, and miles driven to determine the useful oil life that remains. If an object is in the way of the window as it is express-closing, or in certain weather conditions like severe icing, the window will stop and open to a factory preset position. The indicator light comes on when activated. 3-6 Front Seat Armrest . 3-43 Replacing LATCH System Parts After a Crash . For example, your Buick's Engine Oil Life System will alert you within 600 miles of a scheduled 7,500-mile oil change interval. SeeRetained Accessory Power (RAP) on page 9-19. Buick Pre-Paid Maintenance Plan For owners wanting to expand their coverage, Buick offers Pre-Paid Maintenance plan, which includes the standard maintenance program (oil and filter changes along with tire rotation), and may include air filters, cabin air filters, transmission and transfer fluid changes, and spark plugs, respectively. Page 50 of 334Black plate (4,1)Buick Encore Owner Manual (GMNA-Localizing-U.S./Canada/Mexico- 6014813) - 2014 - crc - 10/22/13 3-4 Seats and Restraints To adjust a manual seat: 1. 3-22 Safety System Check . Here are the detailed engine specifications of the 2014 Buick Encore: Engine Type 1.4-liter inline-4 turbocharged Horsepower 138 hp Torque 148 lb-ft Compression Ratio 9.5:1 Fuel Injection Direct Injection Proper engine oil maintenance is crucial for the longevity and performance of any vehicle. Owners will be alerted to some aspects of their coverage. Towing, road service, trip interruptions, lost keys and lockout coverage provide added value to the plans. The switches work when the vehicle is in ON/RUN or ACC/ ACCESSORY, or when Retained Accessory Power (RAP) is active. The dimming feature comes on when the vehicle is started. If water is seeping into the water drainage system, this is normal. Regular oil changes help remove contaminants and keep the engine running smoothly. Synthetic oil offers superior protection and lubrication, especially in extreme temperatures and demanding driving conditions. Rear onboard head restraints are not designed to be removed. To that end, they have a prescribed service schedule that will keep your Buick running like new. 3-8 Heated Front Seats . Exploring the 2019 Chevy Cruze: Engine Specs & Service IntervalsIn conclusion, the 2014 Buick Encore offers a powerful and efficient engine that enhances its overall performance. The sunroof will not operate if the vehicle has an electrical failure. Try to move the head restraint after the button is released to make sure that it is locked in place. Page 45 of 334Black plate (19,1)Buick Encore Owner Manual (GMNA-Localizing-U.S./Canada/Mexico- 6014813) - 2014 - crc - 10/22/13 Keys, Doors, and Windows 2-19 Dirt and debris may collect on the sunroof seal or in the track. Pull the head restraint up to raise it. 3-22 Safety Belt Care . If the oil level is low, it is important to add the recommended oil to maintain proper lubrication and prevent engine damage. 3-2 Front Seats Seat Adjustment . Slide the seat to the desired position and release the handle. The express mode can be canceled by pressing or pulling the switch. 3. In this article, we will take a closer look at the engine specifications of the 2014 Buick Encore, including its configuration, oil specifications, and service intervals. To adjust the lumbar support, see Lumbar Adjustment on page 3-4. 3-30 Servicing the Airbag-Equipped Vehicle .
